

## Vitamin A&D Ointment

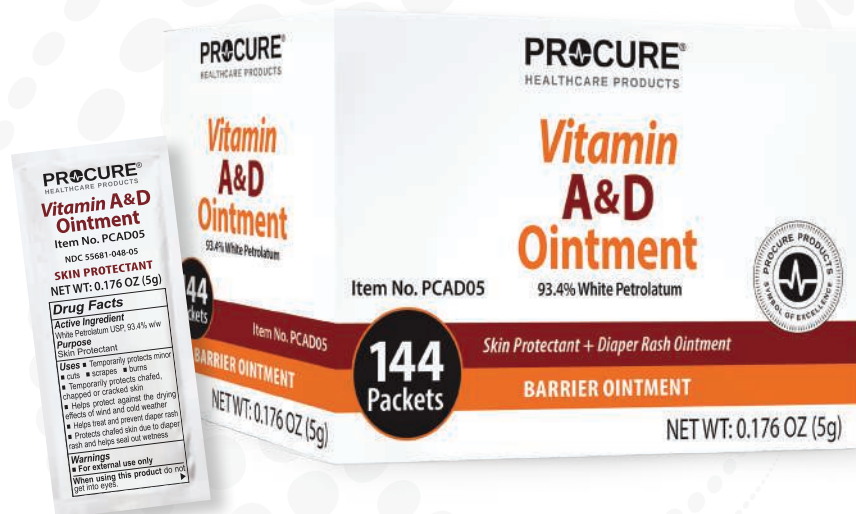

### 93.4% White Petrolatum

ProCure Vitamins A&D Ointment is a gentle skin protectant and diaper rash ointment formulated with 93.4% white petrolatum. Ideal to have on hand at all times as it protects minor cuts, scrapes and burns while soothing chafed, chapped or cracked skin. During cold, windy weather, Vitamin A&D ointment provides effective protection against drying elements. This smooth, easy to apply formulation also treats and help prevent diaper rash by sealing out wetness during prolonged exposure.

### Features & Benefits:

- 93.4% White Petrolatum for soothing skin protection
- Helps prevent and treat diaper rash
- Enriched with Vitamins A & D to promote healthy skin
- Shields skin from prolonged moisture exposure
- Smooth, easy-to-apply formula
