

Green Pain Relief Gel

(with Menthol)

Procure Green Pain Relief Gel is specifically formulated to target sore muscles, joints, and minor injuries. Experience fast and effective relief from aches and pains with Procure Green Pain Relief Gel infused with Menthol. The cooling sensation of menthol provides instant comfort and helps reduce inflammation, while the non-greasy formula ensures easy application and quick absorption.

Fast-acting gel for targeted pain relief, designed to ease discomfort associated with arthritis, muscle and joint aches, as well as injuries like sprains, strains, and bruises.

Benefits:

- Fast-acting topical gel for effective pain relief
- Infused with menthol for a cooling and soothing sensation
- Targets sore muscles, joints, and minor injuries
- Helps reduce inflammation and alleviate discomfort
- Non-greasy formula for easy application and quick absorption
- Provides natural and soothing pain relief whenever needed
