Manual Liquid Dispenser 800mL /1000mL
* PCLD800(B) / PCLD1000(B)
Installation Instructions

Parts:

Dispenser (1)
Screws and Anchors (3)
Double Side Tape (3)
Instruction Sheet (1)

Tape Mounting:

1. Make sure mounting surface is flat, clean and dry.(Tape mounting is only recommended for mirrors or similar surfaces)

2. Remove protective backing from adhesive tapes and press dispenser firmly against the mounting surface for about 15 seconds. Open front cover and press directly for an additional 15 seconds and allow 8 hours before inserting the pouch & using the dispenser.

3. To open dispenser: Push the latch up from the bottom of the dispenser and pull cover forward away from the wall or mirror.

Screw Mounting:

1. Hold dispenser against wall in desired location, open cover and mark the holes through the backplate.

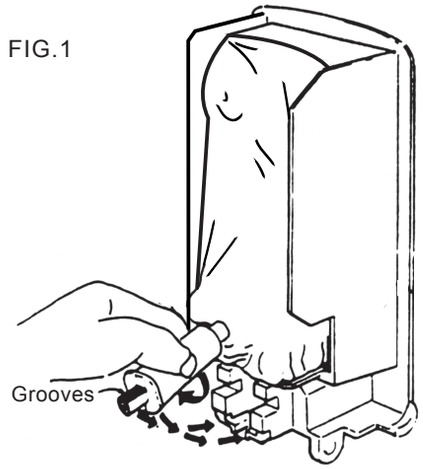

2. Install provided anchors into drywall and secure the dispenser with screws provided.

Bag Installation Instructions

Step 1:

Place the bag on the dispenser platform.
Pull the nozzle down with the thumb and forefinger.
Rotate the top of the tube so that the grooves on the pump are facing toward you. (FIG.1)

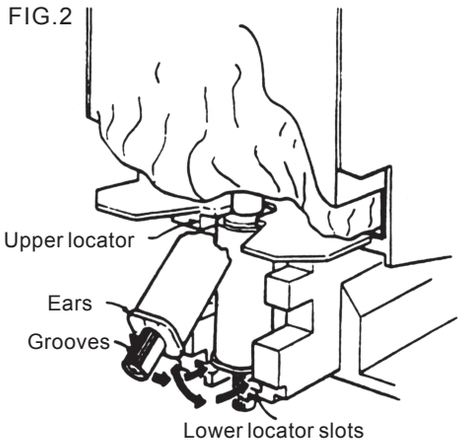

FIG.1

Step 2:

Place the top of the tube firmly in the channel of the upper locator and fit the ears on the tip end in the lower location with the grooves centered and facing toward you (FIG.2)

FIG.2

Caution:

Before closing the cover, check to make sure the grooves are facing toward you and the ears of the pump tip are firmly seated in the slots of the lower locator .
