Signature

LanaCare 30% Lanolin Cream

ProCure Signature LanaCare provides daily protection and rich hydration for dry, rough, or cracked skin. Formulated with 30% Lanolin, it helps restore the skin's natural moisture balance while forming a protective barrier to prevent dryness and irritation. This gentle cream temporarily relieves chafed, chapped, or cracked skin and shields against the drying effects of wind and cold weather—leaving skin soft, smooth, and healthy-looking.

LanaCare is
part of ProCure's
Signature
Skin Care Line.
