

Cloth Surgical Tape

Hypoallergenic Silk Fabric

ProCure Cloth Surgical Tape is a hypoallergenic, silk-like fabric tape designed for secure and comfortable fixation of dressings and devices. Its strong, breathable adhesive ensures lasting hold while allowing flexibility and skin comfort. Easy to tear by hand for quick application, it applies smoothly and removes gently to minimize skin irritation—ideal for everyday clinical or first aid use.

Features & Benefits:

- Strong, reliable adhesion for secure dressing and device fixation
- Breathable silk-like fabric promotes skin comfort
- Easy hand-tear design for quick application
- Flexible and conformable for a comfortable fit
- Gentle removal helps minimize skin irritation
