

Conforming Stretch Gauze Bandages

Sterile & Non-Sterile

ProCure Conforming Stretch Gauze Bandages offer soft, breathable protection for securing wound dressings and cushioning sensitive areas. With moderate stretch for optimal flexibility, they conform easily to body contours without constricting movement. The low-lint, highly absorbent material helps maintain a clean wound environment.

Available in both sterile and non-sterile rolls for a variety of clinical and first aid applications.

Features & Benefits:

- Soft, breathable material provides gentle protection and comfort
- Moderate stretch conforms easily to body contours
- Low-lint design helps maintain a clean wound site
- Highly absorbent for effective wound coverage
- Available in sterile and non-sterile rolls for versatile use
