

GentleWash

Cleansing Cream, Fortified with Dimethicone

ProCure GentleWash is a rinse-free body and perineal cleanser designed to gently cleanse, nourish, and moisturize fragile skin—no water needed. Its mild, creamy formula is ideal for incontinence care and everyday cleansing when rinsing isn't convenient. Fortified with dimethicone, it helps protect the skin's natural barrier while locking in moisture for lasting comfort. GentleWash effectively removes impurities without irritation, leaving skin feeling clean, soft, and refreshed.

**Rinse-Free
Gentle
Cleanser**

Features & Benefits:
