

Paper Surgical Tape *Hypoallergenic*

ProCure Paper Surgical Tape is a hypoallergenic medical tape designed to gently secure dressings and devices while minimizing skin irritation. Made from breathable, air-permeable paper, it allows skin to breathe for greater comfort and faster healing. The gentle yet reliable adhesive provides secure hold and easy, residue-free removal—ideal for sensitive skin and frequent dressing changes.

This economical, hospital-grade tape is water-resistant, flexible, and easy to tear by hand for convenient use in clinical or home care settings.

Features & Benefits:

- Gentle, hypoallergenic adhesive ideal for sensitive skin
- Breathable paper design promotes air flow and healing
- Water Resistant
- Secure hold with clean, residue-free removal
- Easy hand-tear design for quick application
- Flexible and conformable for a comfortable fit
