

Silver Wound Gel

Antibacterial Gel Wound Dressing

ProCure Silver Wound Gel is an antibacterial gel wound dressing formulated with silver ions to help protect against bacterial growth while maintaining a moist healing environment. Under the supervision of a healthcare professional, this paraben-free wound gel is indicated for the management of first and superficial second degree burns, wounds such as stasis ulcers, pressure ulcers, diabetic ulcers, lacerations, abrasions, skin tears, surgical incision sites, device insertion site wounds, graft sites and donor sites.

Features & Benefits:

- Antibacterial gel wound dressing with silver ions for added protection
- Paraben-free hydrogel facilitates autolytic debridement
- Helps support natural healing and skin recovery
- Smooth, non-sticky formula spreads easily and evenly
- Ideal for pressure injuries, diabetic skin ulcers, and venous stasis as well as minor wounds, cuts, burns & abrasions.
