

Premium **AIRLAID WIPE CLOTHS**

ProCure Premium Airlaid Wipe Cloths are ultra-soft, highly absorbent disposable wipes designed for superior comfort and cleansing. Made with advanced airlaid technology, these wipes feature a thick, towel-like texture that is gentle on sensitive skin while offering exceptional strength when wet or dry.

Ideal for incontinence care, full-body cleansing, and situations requiring extra absorbency, Airlaid Wipe Cloths provide a premium alternative to standard dry wipes. Their enhanced softness and absorbency make them perfect for use with water, cleansers, or lotions without tearing or leaving residue behind.

Features & Benefits:

- Ultra-soft, cushiony feel for enhanced comfort
- Thick, absorbent airlaid material holds moisture without breaking down
- Strong and durable for thorough cleansing
- Ideal for bathing, incontinence care, and sensitive skin
- Quarter folded dry wipes
- Disposable, hygienic, and suitable for single-use
