

Hemorrhoidal Ointment

ProCure Hemorrhoidal Ointment is formulated to provide soothing relief from the discomfort associated with hemorrhoids, including itching, burning, irritation, and swelling. This medicated formula contains mineral oil, petrolatum, and phenylephrine HCl which temporarily protects the inflamed, irritated anorectal surface to help make bowel movements less painful. Designed for both internal and external use, the ointment includes an applicator for convenient application and dependable symptom relief.

Features & Benefits:

- Helps temporarily relieve itching, burning, irritation
- Helps shrink swollen tissue
- Makes bowel movements less painful
- Includes applicator for easy use
- Smooth, gentle ointment formula
- Comparable active ingredients to Preparation H[®] Hemorrhoidal Ointment*
